TAKING THE  
**SPICE ROUTE**

As early as 2000 BC, spices such as cinnamon from Sri Lanka and cassia from China found their way along the Spice Routes to Bahrain.

Drawing inspiration from this historical milestone, our Chefs present to you, a tastefully curated cultural melting pot of aromatic spices, enriched with locally sourced organic ingredients, guaranteed to cajole your taste buds.

Combined expertise of our multi-cultural Chefs, paired with contemporary cooking styles- we reintroduce Keizo to you.

With the dawn of the new decade, the restaurant stands proud with a refreshed menu which brings seamless harmony between global cultures through delightful food and unforgettable memories.

Experience a contemporary fusion of eclectic dishes, designed to take you on a culinary voyage all across the Spice Route. Savor the very best of Khaleeji, Indian, International and Asian fine dining with a refreshed creative flair.

Explore an immersive gastronomic menu, set amid a backdrop of enchanting panoramic scenery. Our grandiose and exquisitely designed venue has become a premium location to celebrate momentous occasions.
