# DR. BURGNER

*Haute couture approach*

## *A HOLISTIC COMMUNITY OF WELLBEING ARTISANS*

*A panel of wellbeing and fitness experts across complementary fields (e.g. Ayurveda, Chinese medicine, etc.) is curated by the hotel to offer guests comprehensive, highly personalized coaching sessions from the very best in their areas. Attuned to each of their needs, they provide everything from 1-on-1 sessions to pre-recorded content they can access in their suite, and even virtual follow-ups after their departure, for them to feel fully taken care of every step of the way.*

## *FULLY PRIVATE WELLNESS SUITES*

*To go even further in the way of indulgence, the individual beauty, fitness and hydro suites are designed and equipped like elegant mini-spas within the spas, where a series of bespoke wellness experiences can unfold: beauty and wellness treatments, bath rituals, meditation sessions, fitness coaching, pool therapies, etc.*
